Esmeralda
the
Cat

Esmeralda is a sophisticated feline with a flair for the dramatic. She spends her days lounging in sunbeams & has perfected the art of looking regal while chasing her own tail. Although she appreciates the finer things in life, Esmeralda's guilty pleasure is a cardboard box & she can't resist squeezing into any that she comes across, no matter how small. She loves a cream tea & her idea of a perfect Sunday afternoon would be a walk in the countryside followed by a jam & clotted cream scone in a cosy tea room.

Winnie was a talented ballerina in her youth but an unfortunate trunk tripping incident involving the prima ballerina cut her promising career short. Always creative, she loves to crochet & has recently taken up yarn bombing - decorating everyday objects with colourful crocheted creations.

Rosie
the Rabbit

Rosie is a free spirit with a heart full of wanderlust and a nose for adventure. Her curiosity often leads her to explore new places and occasionally leads her into a spot of trouble... Highly principled, Rosie organises a carrot collection for less fortunate rabbits every Christmas. In her spare time, like most rabbits, Rosie listens to Hip-Hop music, though she secretly loves Taylor Swift. Her affectionate nature makes her a beloved companion, always ready for a snuggle.

Oliver is witty and clever, and his friends always appreciate his quick thinking, especially during their regular games nights where he is the reigning champion of charades. On clear evenings, he loves to stargaze and always makes a wish when he sees a shooting star.

Ralph
the Labradoodle

Ralph loves to lend a helping paw and is constantly looking for ways to be useful. He is always tidying up any food that he can find, even if it means jumping onto a table to get to it. Bright and playful, Ralph's perfect day would include sniffing out the muddiest puddles for a good roll and then winding down with a nap snuggled up on a lovely clean sofa. He's an excellent runner although rarely wins any races as he's easily distracted by a passing rabbit or interesting smell.

Webster is highly intelligent but is distinctly lacking in common sense. Fluent in Squirrel, Rabbit and Sparrow, he can solve an algebra puzzle faster than anyone you know, but will just as easily forget where he left his pond and have to find a new one. ELVIS
the Owl

Elvis is the little owl currently in training to earn 'wise owl' status, one of the most prestigious of all woodland jobs. He takes this very seriously and can often be seen with this beak in a book, or dishing out advice to his fellow woodlanders, whether they asked for it or not. Elvis is very competitive and loves to unwind with a game of chess or a good crossword. He dabbles in a spot of poetry writing and collects celebrity autographs in his spare time.

A charming & beautiful redhead, Fern is a social butterfly & a well known influencer, always knowing which are the best trees to be seen in. Adele the Robin

Adele loves a bit of glitz and glamour and truly believes that one can never be overdressed. She is always the first on the dance floor at any party and loves to shake her feathers to Abba's Dancing Queen. Adele also enjoys a spot of gardening and once won first prize for her very large marrow at the local village show. She loves foraging for wild mushrooms and once fell in a pond trying to retrieve a shaggy ink cap. To save her embarrassment she told her friends she had taken up wild swimming.

Camilla the Giraffe

Glamorous Camilla is the envy of all her friends. With her long legs and elegant eyelashes, she graced the giraffe walks of Paris before she was talent spotted by a famous film producer who whisked her away to Hollywood until a mysterious scandal involving an ostrich and a pair of spectacles saw her return to her home savannah. Camilla has since embarked on a new career as an abstract artist and can often be found contemplating a blank canvas or experimenting with colour.
